FOR IMMEDIATE RELEASE**NORIBACHI ANNOUNCES RECORD BREAKING 2015 AND LAYS PLANS FOR CONTINUED GROWTH IN 2016**

HARBOR CITY, CA – January 20, 2016 – Noribachi, a leading U.S.-based custom LED manufacturer for high output commercial and industrial lighting solutions, announced today that Q4 2015 was their 16th consecutive period of quarter over quarter growth.

"2015 was a year of milestones," said Farzad Dibachi, CEO, Noribachi. "We experienced phenomenal growth of more than 100% over 2014. In addition, we were named to the Deloitte Technology Fast 500 List, Inc.500, Forbes List of Most Promising Companies, LA Business Journal's 100 Fastest-Growing Private Companies List and Entrepreneur Magazine's Entrepreneur360™. We also celebrated our move into our new 90,000 sq. ft. headquarters in beautiful Harbor City, CA with a spectacular Grand Opening event attended by Mayor Garcetti, local representatives and valued suppliers and customers. We also continued to lead the industry with our full line of commercial and industrial LED lighting products, including our best-selling LED Highbay fixtures and our popular Floodlight line featuring our extra-extra-large Floodlight: FLXXL with up to 79,755 lumens."

In addition, Noribachi announced the publication of its 2016 Product Pricing Guide featuring the exciting addition of its new proprietary Highbay series, which represent the most advanced Highbays on the market. It also includes an expanded linear LED product line, additions to their Hazardous LED lighting line and a new line of wireless controls that can be integrated into all their LED lighting products. More product announcements are expected in Q1 and will expand the definition of industrial and commercial lighting.
